ABOUT ME

Creative graphic designer specializing in branding, mascot logos, esports and sports logos, social media design, typography, and 2D character design. Focused on delivering bold, impactful visuals that build strong brand identities and create lasting impressions.

EXPERIENCE

MASCOT LOGO

2023 - PRESENT

Digital Cuberoot

Designed high-impact mascot logos for esports teams, sports brands, and businesses, creating bold, scalable identities that strengthen brand recognition across digital and print platforms.

ESPORTS LOGO

Digital Cuberoot

Crafted striking esports logos and mascots with dynamic designs and clean vectors, enhancing team branding across digital and merchandise platforms.

SPORTS LOGO

Digital Cuberoot

Designed bold and dynamic sports logos with strong typography and symbols, delivering versatile vector designs that strengthen team identity across uniforms, merchandise, and digital platforms.

2D CHARACTER DESIGN

Digital Cuberoot

Created unique and expressive 2D characters for branding, mascot concepts, and digital media. Focused on strong silhouettes, personality-driven design, and clean vector execution. Delivered adaptable character designs suitable for print, social media, and merchandise applications.

Reference will be furnished on demand.
